Fairfax, CA 94930

Town of Fairfax
142 Bolinas Road
Fairfax, CA 94930

Ladies and Gentlemen:

Brandis Tallman LLC (the "Underwriter") hereby offers to enter into this bond purchase agreement (the "Bond Purchase Agreement") with the Fairfax Financing Authority (the "Authority") and the Town of Fairfax (the "Town"). Upon the acceptance hereof by the Authority and the Town, this offer will be binding upon the Authority, the Town and the Underwriter. This offer is made subject to (a) the written acceptance hereof by the Authority and the Town and (b) withdrawal by the Underwriter upon written notice (by telecopy or otherwise) delivered to the Authority and the Town at any time prior to each of their acceptance hereof by the Authority and the Town.

1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase on the Closing Date (as defined herein), and the Authority and the Town hereby agree to sell and deliver to the Underwriter on the Closing Date, \$_____ principal amount of Fairfax Financing Authority (Marin County, California) Taxable Lease Revenue Bonds, Series 2020 (the "Bonds"). The Bonds are being issued pursuant to Article 4, Chapter 5, Division 7, Title 1 of the California Government Code, a resolution of the Authority authorizing the issuance of the Bonds, adopted on August 19, 2020 (the "Authority Resolution"), and an Indenture of Trust, dated as of October 1, 2020 (the "Indenture"), by and between the Authority and U.S. Bank National Association, as trustee (the "Trustee"). The Town will lease certain real property to the Authority, consisting of certain streets and roads within the geographic boundaries of the Town (collectively, the "Property") to the Authority pursuant to a Lease and Right of Entry Agreement, dated as of October 1, 2020 (the "Lease and Right of Entry Agreement"). The Property will be leased by the Authority to the Town pursuant to the Lease Agreement, dated as of October 1, 2020 (the "Lease Agreement"), by and between the Authority and the Town. The City will make lease payments (the "Lease Payments") to the Authority under the Lease

Agreement. All capitalized terms not defined herein shall have the respective meaning specified in Section 1.01 and Exhibit A of the Indenture.

Under the Lease Agreement, the Town is required to make Lease Payments and Additional Payments from legally available funds in amounts calculated to be sufficient to pay principal of and interest on the Bonds when due. All of the Authority's right, title and interest in and to the Lease Agreement (except for the right to receive Additional Rental Payments to the extent payable to the Authority and certain rights to indemnification), including the right to receive Lease Payments under the Lease Agreement, are assigned under the Indenture to the Trustee for the benefit of the Owners of the Bonds.

The Bonds are being issued to (a) finance and refinance certain pension obligations of the Town to the California Public Employees' Retirement System ("CalPERS"), including to refinance the Town's Lease Agreement, dated as of January 1, 2017, by and between the Authority and the Town, assigned to Capital One Public Funding, LLC, executed to fund a portion of the Town's then existing unfunded actuarial liability to CalPERS, and (b) pay costs of issuance of the Bonds.

The purchase price to be paid by the Underwriter for the Bonds is hereby agreed to be \$_____, which amount represents the principal amount of the Bonds of \$_____, less \$_____, representing the Underwriter's discount, plus \$_____, representing an original issue premium (such payment and delivery of the Bonds and the other actions contemplated hereby to take place at the time of such payment and delivery being herein sometimes called the "Closing").

The Authority and the Town acknowledge and agree that (i) the purchase and sale of the Bonds pursuant to this Bond Purchase Agreement is an arm's-length commercial transaction between the Authority and the Town and the Underwriter; (ii) in connection with such transaction, the Underwriter is acting solely as a principal and not as an agent or a fiduciary of the Authority or the Town; (iii) the Underwriter has not assumed a fiduciary responsibility in favor of the Authority or the Town with respect to the offering of the Bonds or the process leading thereto (whether or not the Underwriter, or any affiliates of the Underwriter, has advised or is currently advising the Authority or the Town on other matters) nor has it assumed any other obligation to the Authority or the Town except the obligations expressly set forth in this Bond Purchase Agreement, (iv) the Underwriter has financial and other interests that differ from those of the Authority and the Town; and (v) the Authority and the Town have consulted with their own legal and financial advisors to the extent they deemed appropriate in connection with the offering of the Bonds.

The Authority and the Town hereby acknowledge receipt from the Underwriter of disclosures required by the Municipal Securities Rulemaking Board ("MSRB") Rule G-17 (as set forth in MSRB Notice 2012-25 (May 7, 2012), relating to disclosures concerning the Underwriter's role in the transaction, disclosures concerning the Underwriter's compensation, conflict disclosures, if any, and disclosures concerning complex municipal securities financing, if any.

A Preliminary Official Statement of the Town and the Authority, dated September 15, 2020 (together with the Appendices thereto, any documents incorporated therein by reference and any supplements or amendments thereto and as disseminated in its printed physical form or in electronic form in all respects materially consistent with such physical form, the "Preliminary Official Statement"), has been prepared for use in marketing the Bonds, and a final Official Statement relating to the Bonds, to be dated the date hereof, as amended to conform to the terms of this Purchase Contract, and with such changes and amendments as are mutually

agreed to by the Authority, the Town and the Underwriter, including the cover page, inside cover page, the appendices and all information incorporated therein by reference, is herein collectively referred to as the "Official Statement," which shall be in substantially the form of the Preliminary Official Statement, with such changes and amendments thereto as may be mutually agreed upon by the Underwriter, the Authority and the Town.

The Bonds shall be dated their date of delivery, and shall have the maturities, bear interest at the rates, have reoffering yields, and be subject to redemption as shown on Exhibit A hereto.

It shall be a condition to the Authority's obligation to sell and to deliver the Bonds to the Underwriter and to the obligation of the Underwriter to purchase, to accept delivery of and to pay for the Bonds that the entire \$_____ principal amount of the Bonds as authorized by the Indenture shall be sold and delivered by the Authority and accepted and paid for by the Underwriter at the Closing. The Underwriter may change the offering prices (or yields) of the Bonds from time to time at any time. The Bonds may be offered and sold to certain dealers at prices lower than such initial public offering prices. The obligation of the Authority to sell and deliver the Bonds to the Underwriter shall also be conditioned upon the delivery by Jones Hall, A Professional Law Corporation, San Francisco, California, Bond Counsel ("Bond Counsel"), of its approving legal opinion with respect to the Bonds.

The Authority and the Town hereby authorize the Underwriter to use and distribute the Lease and Right of Entry Agreement, the Lease Agreement, the Assignment Agreement, the Indenture and the Preliminary Official Statement, and the information contained in such documents in connection with the public offering and sale of the Bonds. The Authority and the Town have authorized the use of the Preliminary Official Statement in connection with the public offering of the Bonds by the Underwriter prior to the date hereof.

The obligation of the Town to make Lease Payments under the Lease Agreement does not constitute an obligation of the Town for which the Town is obligated to levy or pledge any form of taxation or for which the Town has levied or pledged any form of taxation. Neither the Bonds nor the obligation of the Town to make Lease Payments under the Lease Agreement constitutes a debt of the Authority, the Town, the State of California or any of its political subdivisions in contravention of any constitutional or statutory debt limitation or restriction. The obligation of the Town to make Lease Payments, as set forth in the Lease Agreement, shall be deemed to be and shall be construed to be a ministerial duty imposed by law and it shall be the ministerial duty of each and every public official of the Town to take such actions and do such things as are required by law in the performance of such duty, subject to abatement in the event of damage or destruction to, or condemnation of, the Property or a portion thereof.

2. Bona Fide Public Offering. The Underwriter agrees to make a bona fide public offering of all of the Bonds, at prices not in excess of the initial public offering yields or prices set forth on the cover page of the Official Statement. Subject to Section 3(c), the Bonds may be offered and sold to certain dealers at prices lower than such initial public offering prices; provided, however, that the Underwriter may offer a portion of the Bonds for sale to selected dealers who are members of the Financial Industry Regulatory Authority, and the Underwriter reserves the right to change such offering prices or yields as the Underwriter shall deem necessary in connection with the marketing of the Bonds and to offer and sell the Bonds to certain dealers (including dealers depositing the Bonds into investment trusts) and others at prices lower than the initial offering prices or at yields higher than the initial yields set forth on Exhibit A attached hereto. The Underwriter also reserves the right to over-allot or effect transactions that stabilize or maintain the market price of the Bonds at a level above that which might otherwise prevail in the open market and to discontinue such stabilizing, if commenced, at any time. None of such

activities shall affect the principal amounts, maturity dates, interest rates, redemption or other provision of the Bonds or the amount to be paid by the Underwriter to the Authority for the Bonds.

3. The Bonds. The Bonds will be issued, executed and delivered pursuant to the Indenture. The Town Council of the Town has adopted a resolution on August 19, 2020, relating to the Bonds (the "Town Resolution"). This Bond Purchase Agreement, the Lease and Right of Entry Agreement, the Lease Agreement and the Continuing Disclosure Certificate (hereinafter defined) are collectively referred to as the "Town Documents." This Bond Purchase Agreement, the Indenture, the Lease and Right of Entry Agreement, the Lease Agreement and the Assignment Agreement are collectively referred to as the "Authority Documents."

5. Official Statement, Continuing Disclosure.

(a) The Authority and the Town represent that they have deemed the Preliminary Official Statement to be final as of its date, except for either revisions or additions to the offering price(s), interest rate(s), yield(s) to maturity, selling compensation, aggregate principal amount, principal amount per maturity, delivery date, rating(s) and other terms of the Bonds which depend upon the foregoing as provided in and pursuant to Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (the "Rule").

(b) The Underwriter agrees that, prior to the time the final Official Statement is available, the Underwriter will send to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the most recent Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first class mail (or other equally prompt means) not later than the second business day following the date upon which each such request is received.

(c) The Authority agrees to deliver to the Underwriter, at such addresses as the Underwriter shall specify, as many copies of the final Official Statement relating to the Bonds as the Underwriter shall reasonably request as necessary to comply with paragraph (b)(4) of the Rule and with Rule G-32, Rule G-36 and all other applicable rules of the Municipal Securities Rulemaking Board. The Authority agrees to deliver such copies of the Official Statement within seven business days after the execution hereof. The Underwriter agrees to give notice to the Authority on the date after which the Underwriter shall no longer be obligated to deliver copies of the Official Statement pursuant to paragraph (b)(4) of the Rule, which date shall be no earlier than 25 days after the "end of the underwriting period," as determined in accordance with Section 14 herein.

(d) Prior to the earlier of (i) receipt of notice from the Underwriter that no participating underwriter, as such term is defined in the Rule, remains obligated to deliver Official Statements pursuant to paragraph (b)(4) of the Rule or (ii) 25 days after the date of the Closing (as defined below), the Authority and the Town shall provide the Underwriter with such information regarding the Authority and the Town, each of their current financial conditions and ongoing operations as the Underwriter may reasonably request.

(e) The Town hereby covenants and agrees that it will, on or prior to the Closing Date, execute a certificate for the benefit of the owners of the Bonds in which the Town will undertake to provide financial information, operating data and notices of material events as required by paragraph (d)(2)(ii) of the Rule substantially in the form of Appendix D to the Official Statement (the "Continuing Disclosure Certificate").

6. Representations, Warranties and Agreements of the Town. The Town represents, warrants and agrees as follows:

(a) The Town is a municipal corporation and general law city duly organized and validly existing under the Constitution and laws of the State of California.

(b) The Town has full legal right, power and authority (i) to enter into, execute and deliver the Town Documents; and (ii) to carry out and consummate the transactions on its part contemplated by the Town Documents and the Official Statement.

(c) By all necessary official action, the Town has duly authorized and approved the Town Documents, has duly authorized and approved the Preliminary Official Statement and the Official Statement and approved the distribution thereof (including in electronic form), has duly authorized and approved the execution and delivery of, and the performance by the Town of the obligations in connection with the execution and delivery of the Bonds on its part contained in the Town Documents, and the consummation by it of all other transactions contemplated by the Town Documents in connection with the execution and delivery of the Bonds, all pursuant to the Town Resolution adopted at a meeting duly called and held in accordance with the requirements of all applicable laws and at which a quorum of the members of the Town Council was continuously present. The Town Resolution has not been modified, amended or rescinded since the date of its adoption.

(d) The Town is not in any material respect in breach of or default under any applicable constitutional provision, law or administrative regulation of the State of California or of the United States, or any agency or instrumentality of either, or any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement (including, without limitation, the Town Documents) or other instrument to which the Town is a party which breach or default has or may have an adverse effect on the ability of the Town to perform its obligations under the Town Documents, and no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute such a default or event of default under any such instrument; and the execution and delivery of the Bonds and the Town Documents, and compliance with the provisions on the Town's part contained therein, will not conflict in any material way with or constitute a material breach of or a material default under any constitutional provision, law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Town is a party nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the Property or assets of the Town or under the terms of any such law, regulation or instrument, except as provided by the Bonds and the Town Documents.

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matter which are required for the due authorization by, or which would constitute a condition precedent to or the absence of which would materially adversely affect the due performance by, the Town of its obligations in connection with the execution and delivery of the Bonds under the Town Documents or the consummation by it of all other transactions contemplated by the Town Documents have been duly obtained, except for such approvals, consents and orders as may be required under the Blue Sky or securities laws of any state in connection with the offering and sale of the Bonds; except as described in or contemplated by the Official Statement, all authorizations, approvals, licenses, permits, consents and orders of any governmental authority, board, agency or commission having jurisdiction of the matter which are required for the due authorization by, or which would constitute a condition

precedent to or the absence of which would materially adversely affect the due performance by, the Town of its obligations under the Town Documents have been duly obtained.

(f) There is no action, suit, proceeding, inquiry or investigation, notice of which has been duly served on the Town, at law or in equity before or by any court, government agency, public board or body, pending or to the best knowledge of the officer of the Town executing this Bond Purchase Agreement, threatened against the Town, affecting the existence of the Town or the titles of its officers to their respective offices, or affecting or seeking to prohibit, restrain or enjoin the sale, execution or delivery of the Bonds pursuant to the Indenture, or contesting or affecting as to the Town the validity or enforceability of the Town Documents, or contesting the completeness or accuracy of the Preliminary Official Statement or the Official Statement, or contesting the powers of the Town to cause the execution and delivery or adoption by the Town of the Town Documents, or in any way contesting or challenging the consummation of the transactions contemplated hereby or thereby; nor, to the best knowledge of the Town, is there any basis for any such action, suit, proceeding, inquiry or investigation, wherein an unfavorable decision, ruling or finding would materially adversely affect the validity of the Bonds or the authorization, execution, delivery or performance by the Town of the Town Documents.

(g) The Town will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order (i) to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate and (ii) to determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions, and will use its best efforts to continue such qualifications in effect so long as required for the distribution of the Bonds; provided, however, that the Town shall not be required to execute a general or special consent to service of process or qualify to do business in connection with any such qualification or determination in any jurisdiction, and the Underwriter shall bear all costs in connection with the foregoing.

(h) As of the date thereof, the Preliminary Official Statement (other than information therein regarding DTC or its book-entry system or any information provided by the Underwriter) did not, except for the omission of certain information permitted to be omitted in accordance with the Rule, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(i) At the time of the Town's acceptance hereof, and (unless an event occurs of the nature described in paragraph (k) of this Section 6) at all times subsequent thereto up to and including the Closing Date, the Official Statement (other than information therein regarding DTC or its book-entry system or any information provided by the Underwriter) did not and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(j) If the Official Statement is supplemented or amended pursuant to paragraph (k) of this Section 6, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto up to and including the Closing Date, the Official Statement (other than information therein provided by the Underwriter) as so supplemented or amended will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(k) If between the date of this Bond Purchase Agreement and that date which is 25 days after the end of the underwriting period (as determined in accordance with Section 15 hereof) any event of which the officer of the Town executing this Bond Purchase Agreement has knowledge shall occur affecting the Town which might adversely affect the marketability of the Bonds or the market prices thereof, or which might cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the Town shall notify the Underwriter thereof, and if in the opinion of the Underwriter such event requires the preparation and publication of a supplement or amendment to the Official Statement, the Town will at its expense prepare and furnish to the Underwriter a reasonable number of copies of such supplement to, or amendment of, the Official Statement in a form and in a manner approved by the Town, Bond Counsel, Disclosure Counsel and the Underwriter.

(l) Any certificate signed by any officer of the Town and delivered to the Underwriter pursuant to the Town Documents or any document contemplated thereby or required for the valid execution and delivery of the Bonds shall be deemed a representation and warranty by the Town to the Underwriter as to the statements made therein.

(m) The Town will cause the proceeds from the sale of the Bonds to be paid to the Trustee for the purposes specified in the Indenture and the Official Statement. So long as any of the Bonds are outstanding and except as may be authorized by the Indenture, the Town will not issue or sell, or cause to be issued or sold, any bonds or other obligations, other than the Bonds delivered thereunder, the interest on and premium, if any, or principal of which will be payable from Lease Payments.

7. Representations, Warranties and Agreements of the Authority. The Authority represents, warrants and agrees as follows:

(a) The Authority is a joint exercise of powers entity duly organized and validly existing under the laws of the State of California pursuant to a Joint Exercise of Powers Agreement between the Town and the California Municipal Finance Authority, dated as of _____ (the "JPA Agreement").

(b) The Authority has full legal right, power and authority (i) to enter into, execute and deliver the Authority Documents and to sell and deliver the Bonds to the Underwriter as provided herein; and (ii) to carry out and consummate the transactions on its part contemplated by the Authority Documents and the Official Statement.

(c) By all necessary official action, the Authority has duly authorized and approved the issuance of the Bonds and the Authority Documents, has duly authorized and approved the Preliminary Official Statement and the Official Statement and approved the distribution thereof (including in electronic form), has duly authorized and approved the execution and delivery of, and the performance by the Authority of the obligations in connection with the execution and delivery of the Bonds on its part contained in the Bonds and the Authority Documents, and the consummation by it of all other transactions contemplated by the Authority Documents in connection with the execution and delivery of the Bonds, all pursuant to the Authority Resolution adopted at a meeting duly called and held in accordance with the requirements of all applicable laws and at which a quorum of the board members of the Authority was continuously present. The Authority Resolution has not been modified, amended or rescinded since the date of its adoption and each Authority Document is or will be, when delivered, as applicable, the valid and binding obligation of the Authority.

(d) The Authority is not in any material respect in breach of or default under any applicable constitutional provision, law or administrative regulation of the State of California or of the United States, or any agency or instrumentality of either, or any applicable judgment or decree, or the JPA Agreement, or any loan agreement, indenture, bond, note, resolution, agreement (including, without limitation, the Authority Documents) or other instrument to which the Authority is a party which breach or default has or may have an adverse effect on the ability of the Authority to perform its obligations under the Bonds or the Authority Documents, and no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute such a default or event of default under any such instrument; and the execution and delivery of the Bonds and the Authority Documents, and compliance with the provisions on the Authority's part contained therein, will not conflict in any material way with or constitute a material breach of or a material default under any constitutional provision, law, administrative regulation, judgment, decree, loan agreement, indenture, Bond, note, resolution, agreement or other instrument to which the Authority is a party nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the Property or assets of the Authority or under the terms of any such law, regulation or instrument, except as provided by the Bonds and the Authority Documents.

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matter which are required for the due authorization by, or which would constitute a condition precedent to or the absence of which would materially adversely affect the due performance by, the Authority of its obligations in connection with the issuance of the Bonds under the Authority Documents or the consummation by it of all other transactions contemplated by the Authority Documents, including all filings with the California Secretary of State, have been duly obtained, except for such approvals, consents and orders as may be required under the Blue Sky or securities laws of any state in connection with the offering and sale of the Bonds; except as described in or contemplated by the Official Statement, all authorizations, approvals, licenses, permits, consents and orders of any governmental authority, board, agency or commission having jurisdiction of the matter which are required for the due authorization by, or which would constitute a condition precedent to or the absence of which would materially adversely affect the due performance by, the Authority of its obligations under the Bonds and the Authority Documents have been duly obtained.

(f) The Bonds, when executed, issued, authenticated and delivered in accordance with the Indenture, and sold to the Underwriter as provided herein, will be validly executed and outstanding obligations, entitled to the benefits of the Indenture, and upon such execution and delivery, the Indenture will provide, for the benefit of the Owners from time to time of the Bonds, the legally valid and binding security interest it purports to create.

(g) There is no action, suit, proceeding, inquiry or investigation, notice of which has been duly served on the Authority, at law or in equity before or by any court, government agency, public board or body, pending or to the best knowledge of the officer of the Authority executing this Bond Purchase Agreement, threatened against the Authority, affecting the existence of the Authority or the titles of its officers to their respective offices, or affecting or seeking to prohibit, restrain or enjoin the sale, issuance, execution or delivery of the Bonds pursuant to the Indenture, or contesting or affecting as to the Authority the validity or enforceability of the Bonds or the Authority Documents, or contesting the completeness or accuracy of the Preliminary Official Statement or the Official Statement, or contesting the powers of the Authority to cause the issuance of the Bonds, or the execution and delivery or adoption by the Authority of the Authority Documents, or in any way contesting or challenging the consummation of the transactions contemplated hereby or thereby; nor, to the best

knowledge of the Authority, is there any basis for any such action, suit, proceeding, inquiry or investigation, wherein an unfavorable decision, ruling or finding would materially adversely affect the validity of the Bonds or the authorization, execution, delivery or performance by the Authority of the Bonds or the Authority Documents.

(h) The Authority will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order (i) to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate and (ii) to determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions, and will use its best efforts to continue such qualifications in effect so long as required for the distribution of the Bonds; provided, however, that the Authority shall not be required to execute a general or special consent to service of process or qualify to do business in connection with any such qualification or determination in any jurisdiction, and the Underwriter shall bear all costs in connection with the foregoing.

(i) As of the date thereof, the Preliminary Official Statement did not, except for the omission of certain information permitted to be omitted in accordance with the Rule, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(j) At the time of the Authority's acceptance hereof, and (unless an event occurs of the nature described in paragraph (l) of this Section 5) at all times subsequent thereto up to and including the Closing Date, the information under the caption "THE AUTHORITY" in the Official Statement (other than information therein provided by the Underwriter) did not and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(k) If the Official Statement is supplemented or amended pursuant to paragraph (l) of this Section 7, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto up to and including the Closing Date, the Official Statement (other than information therein provided by the Underwriter) as so supplemented or amended will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(l) If between the date of this Bond Purchase Agreement and that date which is 25 days after the end of the underwriting period (as determined in accordance with Section 15 hereof) any event of which the officer of the Authority executing this Bond Purchase Agreement has knowledge shall occur affecting the Authority which might adversely affect the marketability of the Bonds or the market prices thereof, or which might cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the Authority shall notify the Underwriter thereof, and if in the opinion of the Underwriter such event requires the preparation and publication of a supplement or amendment to the Official Statement, the Authority will at its expense prepare and furnish to the Underwriter a reasonable number of copies of such supplement to, or amendment of, the Official Statement in a form and in a manner approved by the Town, Bond Counsel, Disclosure Counsel and the Underwriter.

(m) Any certificate signed by any officer of the Authority and delivered to the Underwriter pursuant to the Authority Documents or any document contemplated thereby or required for the valid execution and delivery of the Bonds shall be deemed a representation and warranty by the Authority to the Underwriter as to the statements made therein.

(n) The Authority will cause the proceeds from the sale of the Bonds to be paid to the Trustee for the purposes specified in the Indenture and the Official Statement. So long as any of the Bonds are outstanding and except as may be authorized by the Indenture, the Authority will not issue or sell any bonds or other obligations, other than the Bonds delivered thereunder, the interest on and premium, if any, or principal of which will be payable from the Revenues.

(o) The Authority shall honor all other covenants on its part contained in the Indenture and the Lease Agreement which are incorporated herein and made a part of this Bond Purchase Agreement.

Accordingly, the Underwriter's obligations under this Bond Purchase Agreement to purchase, to accept delivery of and to pay for the Bonds shall be conditioned upon the performance by the Authority and the Town of their respective obligations to be performed hereunder and under such documents and instruments at or prior to the Closing Date, shall be subject, at the option of the Underwriter, to the accuracy in all material respects of the statements the officers and other officials of the Authority and of the Town, as the Underwriter, authorized representatives of Bond Counsel, the Trustee, and the Town Attorney made in any certification or other documents furnished pursuant to the provisions hereof, and shall also be subject to the following additional conditions:

(c) All necessary official action of the Authority, the Town and of the other parties thereto relating to the Town Documents and the Authority Documents shall have been taken and shall be in full force and effect and shall not have been amended, modified or supplemented in any material respect;

(d) Subsequent to the date hereof, there shall not have occurred any change in or affecting particularly the Authority, the Town or the Bonds, as the foregoing is described in the Official Statement, which in the reasonable opinion of the Underwriter materially impairs the investment quality of the Bonds; and

(e) At or prior to the Closing Date, the Underwriter shall have received copies of each of the following documents:

(i) The Official Statement and each supplement or amendment, if any, thereto, executed by authorized officers of the Authority and the Town;

(B) none of the proceedings or authority for (i) the authorization, sale, execution and delivery of the Bonds, (ii) the adoption of the Town Resolution, or (iii) the execution and delivery of the Town Documents and performance of its obligations thereunder, has been repealed, modified, amended, revoked or rescinded;
