Board of Supervisors of the  
County of Yuba  
915 8th Street  
Marysville, California 95691

OPINION:       \$\_\_\_\_\_ Certificates of Participation (2021 Sheriff's Facility Refinancing Project) Evidencing Direct, Undivided Fractional Interests of the Owners Thereof in Lease Payments to be Made by the County of Yuba, as the Rental for Certain Property Pursuant to a Lease Agreement with the County of Yuba Public Facilities Corporation

---

Members of the Board of Supervisors:

We have acted as special counsel in connection with the delivery by the County of Yuba (the "County"), of its \$\_\_\_\_\_ Lease Agreement, dated as of May 1, 2021, by and between the County of Yuba Public Facilities Corporation (the "Corporation") and the County (the "Lease Agreement"), pursuant to the California Government Code. The Corporation has, pursuant to the Assignment Agreement, dated as of May 1, 2021 (the "Assignment Agreement"), by and between the Corporation and U.S. Bank National Association, as trustee (the "Trustee"), assigned certain of its rights under the Lease Agreement, including its right to receive a portion of the lease payments made by the County thereunder (the "Lease Payments"), to the Trustee. Pursuant to the Trust Agreement, dated as of May 1, 2021, by and among the Trustee, the Corporation and the County (the "Trust Agreement"), the Trustee has executed and delivered certificates of participation (the "Certificates") evidencing direct, undivided fractional interests of the owners thereof in the Lease Payments. We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon representations of the County contained in the Lease Agreement and in the certified proceedings and certifications of public officials and others furnished to us without undertaking to verify the same by independent investigation.

Based upon our examination, we are of the opinion, under existing law, as follows:

1. The County is duly created and validly existing as a political subdivision organized and existing under the laws of the State of California with the power to enter into the Lease Agreement and the Trust Agreement and to perform the agreements on its part contained therein.

2. The Lease Agreement has been duly authorized, executed and delivered by the County and is an obligation of the County valid, binding and enforceable against the County in accordance with its terms.

3. The Trust Agreement and the Assignment Agreement are valid, binding and enforceable in accordance with their terms.

4. Subject to the terms and provisions of the Lease Agreement, the Lease Payments to be made by the County are payable from general funds of the County lawfully available therefor. By virtue of the Assignment Agreement, the owners of the Certificates are entitled to receive their fractional share of the Lease Payments in accordance with the terms and provisions of the Trust Agreement.

5. Subject to the County's compliance with certain covenants, interest with respect to the Certificates is excludable from gross income of the owners thereof for federal income tax purposes and is not included as an item of tax preference in computing the alternative minimum tax for individuals under the Internal Revenue Code of 1986, as amended. Failure to comply with certain of such covenants could cause interest with respect to the Certificates to be includable in gross income for federal income tax purposes retroactively to the date of delivery of the Certificates.

6. The portion of the Lease Payments designated as and comprising interest and received by the owners of the Certificates is exempt from personal income taxation imposed by the State of California.

Ownership of the Certificates may result in other tax consequences to certain taxpayers, and we express no opinion regarding any such collateral consequences arising with respect to the Certificates.

The rights of the owners of the Certificates and the enforceability of the Lease Agreement, the Assignment Agreement and the Trust Agreement may be subject to the Bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and also may be subject to the exercise of judicial discretion in accordance with general principles of equity.

Our opinion represents our legal judgment based upon such review of the law and the facts that we deem relevant to render our opinion and is not a guarantee of a result. This opinion is given as of the date hereof and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

Respectfully submitted,
