Re: \$30,000,000 Campbell Union School District (Santa Clara County, California) 2019 General
Obligation Bonds (Series 2010H and Series 2016C Combined Issue)

Ladies and Gentlemen:

We have acted as disclosure counsel to the Campbell Union School District (the "District") in connection with the issuance by the District of \$30,000,000 principal amount of Campbell Union School District (Santa Clara County, California) 2019 General Obligation Bonds (Series 2010H and Series 2016C Combined Issue) (the "Bonds"), pursuant to the provisions of Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 (commencing with section 53506) of the California Government Code (the "Act"), and a resolution adopted by the Governing Board of the District on October 24, 2019 (the "Resolution"). The Bonds are a combination of two issues of general obligation bonds of the District, its \$6,000,000 Campbell Union School District (Santa Clara County, California) General Obligation Bonds, Election of 2010, Series H (2019), and its \$24,000,000 Campbell Union School District (Santa Clara County, California) General Obligation Bonds, Election of 2016, Series C (2019). Capitalized terms used in this letter and not otherwise defined herein have the meanings given to them in the Resolution.

In connection with this letter, we have reviewed the Resolution, the Official Statement, dated November 7, 2019 (the "Official Statement"), which describes the Bonds and the Resolution, and such other records, opinions and documents, and we have made such investigations of law, as we have deemed appropriate as a basis for the conclusions hereinafter expressed. In arriving at the conclusions expressed below, we are not expressing any opinion or view on, and with your permission are assuming, the validity, accuracy and sufficiency of the records, documents, certificates and opinions referred to above (including the accuracy of all factual matters represented and legal conclusions contained therein, including (without limitation) representations and legal conclusions regarding the due authorization, issuance, delivery, validity and enforceability of the Bonds and the exclusion of interest with respect thereto from gross income for federal income tax purposes). We have assumed that all records, documents, certificates and opinions that we have reviewed, and the signatures thereto, are genuine.

Based on and subject to the foregoing, and in reliance thereon, we advise that the Bonds are exempt from registration pursuant to the Securities Act of 1933, as amended, and that the Resolution is exempt from qualification under the Trust Indenture Act of 1939, as amended.

We are not passing upon and do not assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Official Statement and make no representation that we have independently verified the accuracy, completeness or fairness of any such statements. However, in our capacity as disclosure counsel to the District, we have reviewed certain documents as described above and have participated in conferences during which the contents of the Official Statement and related matters were discussed. Based on our review of documents and our participation in the above-mentioned conferences, and with the assumptions described in the second preceding paragraph, we advise you that, during the course of our assistance in the preparation of the Official Statement, no facts have come to the attention of the attorneys in our firm rendering legal services in connection with such representation that caused us to believe that the Official Statement, as of their date and as of the date of this letter contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading (except that we express no opinion or belief with respect to: (i) the expressions of opinion, the assumptions, the projections, the financial statements or other financial, numerical, economic, demographic or statistical data contained in the Official Statement, (ii) any CUSP numbers or information relating thereto contained in the Official Statement, (iii) any information contained in the appendices to the Official Statement, (iv) any information with respect to the Depository Trust Company and its book entry system for the Bonds contained or incorporated in the Official Statement, (v) any information incorporated by reference into the Official Statement, (vi) information with respect to the ratings on the Bonds and the rating agency referenced in the Official Statement, and (vii) compliance by the District with its obligations to provide notices of the events described in Part (b)(5)(i)(C) of Rule 15c2-12 of the United States Securities and Exchange Commission, as amended (the "Rule") or to file annual reports described in Part (b)(5)(i)(A) of the Rule, which compliance we have not reviewed pursuant to your direction).

During the period from the date of the Official Statement to the date of this letter, except for our review of the certificates and opinions regarding the Official Statement delivered on the date hereof, we have not undertaken any procedures or taken any actions which were intended or likely to elicit information concerning the accuracy, completeness or fairness of any of the statements contained in the Official Statement. We also advise you that the preceding paragraph is not an opinion but, rather, in the nature of negative observations based on certain limited activities performed by specific lawyers in our firm in our role as disclosure counsel to the District. The scope of those activities performed by us for purposes of delivering this letter were inherently limited and do not purport to encompass all activities necessary for compliance with applicable securities laws. In addition, the performance of those activities by us required our reliance upon third-party representations, warranties, certifications and opinions, including and primarily, representations, warranties and certifications made by the District, and are otherwise subject to the conditions set forth herein.

This letter is furnished by us solely for your benefit and may not be relied upon by any other person or entity. We disclaim any obligation to supplement this letter to reflect any facts or circumstances that may hereafter come to our attention or any changes in the law that may

hereafter occur, and our engagement with respect to this matter has terminated as of the date hereof.

Very truly yours,
